PUT UP STATIONS.

There are now no stations on the Second Avenue Elevated Road between Ninetyond and One Hundred and Eleventh Evening World is not the sponsor of ets and between One Hundred and h and One Hundred and Twentyenth streets. The Company was ordered to take the intermediate stations down in default of the payment of damages to charity be prompt and large. It is not so roperty-holders. Col. Hain, when asked necessary that they should be the latter other stations would be erected, said :

That depends upon the property-owners. In order to build a station we must get the heart than dollars are among the most confour corners. If the men who own property ong the road refuse to allow us to build ions other people must suffer.

But the people must not suffer. Col. HAIN cannot expect that the corner propcerty owners, to oblige the Elevated Railroad company, will depreciate the value of their gs, and the Legislature should compel the Company to buy the corners and put up stations wherever they are neces

The Elevated Railroad Company wants too much and gives too little.

The King of Holland is dead. The only solutely monarchical ruler is Death, and his kingdom cannot be overthrown. But when he levels pie dart at other kings he is urifying the social atmosphere. " Le Rot set mort: Vice le Rot!" should pass ever from the lips of men.

The time may come when kings will only exist in the history of the past. It will be a benedicent change in the world when hat comes to pass. Let men rule themes, not be in thrall to one who has no claim to their submission than any other of their fellow-men.

A physician refused to attend to a little by who had been hurt by an elevator acent until he was assured payment for his rvices. The money was hastily raised for his fee, and the crowd then execuated his aduct and nearly made him a subject for sedical service himself. Of course, a phyian is entitled to reward for his services. at in a moment of great need it seems hard to hold aloof too long for fear of its

The Central Labor Union has raised the rascal, boycott on "pool beer." It became tired of indulging in such a luxury. It became an embarrassing thing at labor pienies and festivities to secure a union beverage. So now the C. L. U. has decided to demand only union bartenders, waiters, musicians and eigars for halls which it engages. It has dropped the beer boycott.

He is now placating the House Republicans and patching up a truce with Mr. BLAINZ, He believes that it is never too late to mend.
